WORK EXPERIENCE

Tutor & Teaching Assistant
Austin Coding Academy

05/2021 - Present   *Remote*

Achievements/Tasks

- Provide assistance to the lead teachers in Austin Coding Academy's Web101, Javascript and Node.js courses.
- As a tutor to Full-Stack students, strive to strengthen both the student's knowledge base and their self confidence.
- Reinforce lessons from coursework covering HTML, CSS, Javascript, React, Redux, Node, and MySQL.

Full-Stack Developer
AIMS.org

06/2021 - Present   *Colorado Springs, CO (Remote)*

A cloud backend and set of React applications to automate, facilitate and improve AIMS' business processes.

Achievements/Tasks

- Assisted in the design and development of an updated CRM system.
- Streamlined company report management with a custom reporting system between user and admin portals.
- Implemented automated notification and reminder systems for user events and tasks and enabled Google Calendar integration.

Full-Stack Developer
Zollege

05/2021 - 06/2021   *Austin, TX (Remote)*

Zollege produces freedom through education. We operate over 100 schools in the U.S. and provide affordable pathways to in-demand careers.

Achievements/Tasks

- Took part in planning and architecting a job search widget for participating campuses.
- In charge of researching and integrating 3rd party APIs.
- Assisted in designing the original user interface and overseeing front end workflow.

Website Manager
Tapestry Dance Company

03/2020 - 06/2021   *Austin, TX*

Achievements/Tasks

- Converted in-person academy program to customized online platform due to pandemic, enabling 94% of personnel to stay on payroll.
- Mitigated need to recruit new team members by performing dual roles in organizational operations with projected annual savings of $50K.
